Welcome to Ashmore State School. Our school is in the Gold Coast suburb of Ashmore and is a co-educational school which has approximately 750 students in classes ranging from prep to year 7.

Our motto of "Living and Learning" sums up our belief that all students can enjoy success if they are empowered through knowledge and skills to be life long learners by being creative and reflective thinkers, effective communicators, active participants, keen investigators and problem solvers.

We have a well-earned reputation based on strong academic achievement, a safe and disciplined learning environment and a warm and friendly atmosphere. Ashmore State School is proud of the opportunities we offer our students which ensure a rounded education in academic, sporting and cultural experiences.

We invite you be a part of the "Ashmore experience"!
