PRINCIPAL'S REPORT

Last week, at the commencement of the new school term we witnessed plenty of smiling faces and happy people returning to school. Even though it was a short school week, attendance was very good which tells us that our children enjoy coming to school and that they, and their parents, value Ashmore as a place of learning and friendship. I’m sure that the sunny skies during the Easter break and over the ANZAC holiday added to everyone’s good spirits. And welcome to our new families who join us from interstate, overseas and locally. We are honoured that you chose Ashmore as your school of preference. Now let’s move into Term 2 as a team with the view of once again ensuring it is a productive time for all.

Remembering our ANZACS

The ANZAC memorial service, held in our school hall last Thursday, was a dignified ceremony where as a school we remembered the Australians and New Zealanders who served and died in all wars, conflicts and peacekeeping operations. The spirit of the ANZACS, with its human qualities of courage, mateship and sacrifice continues to have relevance and meaning for our sense of national identity. Thank you to Miss Anna Dart and Ms Fry for their organisation of this special ceremony.
NAPLAN Time!

Our teachers of NAPLAN years have been preparing their students for the tests which commence on Tuesday 13 May and I thank them for their extraordinary efforts. Once again our dedicated P&C team are providing breakfast for the students on the first day of testing. In past years this has proven to be a pleasant way to start the days of testing whilst at the same time ensuring that the students have been given the opportunity of eating a sustaining breakfast. Mrs Josey has provided all the relevant information about NAPLAN in previous newsletters last term and she has done so again in this edition. If you are a parent of a child in Yrs. 3, 5 or 7 please familiarise yourself with this valuable information.

Let’s Celebrate!

This year we will celebrate Education Week on Tuesday 20 May. We are combining ‘Baby Boomers’ and ‘Parents Morning’ which will make it even bigger and better! As we are now formally accredited as delivering curriculum worthy of the International Schools Program, our theme will be one of a multicultural nature. We will also incorporate our ‘Kids Matter’ program with a focus on tolerance, resilience and acceptance. There will be musical performances coupled with food, art, dance and games of other countries on offer at our special morning. Bring along a picnic morning tea to enjoy on the oval with your children and grandchildren. If wet weather is the order of the day then we can just get together in the undercover areas. Starting time is 9.15a.m in the hall followed by classroom visits at 9.45a.m. Please check the school website for further information as we refine the program.

Welcome to the World Oliver!

Our Ashmore family has grown yet again with the birth of Oliver Tran, beautiful newborn son of Mon Tran – a highly talented and respected teacher at our school. On behalf of the Ashmore school community, I send warm and heartfelt congratulations to you Mon. Your baby is very lucky to have you as his Mum.

Wild About Ashmore!

The word about our Community Garden has spread and recently the production team for the television show, Totally Wild, visited our school to record a segment for their show. The team wanted to showcase a school that has an authentic community garden which involves children, parents and the community. The Department of Education, Training & Employment recommended that they contact Ashmore. So there we go – overnight television celebrities! The show goes to air on Tuesday 13 May at 8a.m on Channel 11 which is the sister station of Channel 10. You may have to record it if you leave for work or school at this time or earlier. In the meantime I will seek advice as to whether it is repeated at another time and we will tweet and text you the information. I extend a very big thank you to Ivan Russell and Judy Reiser for their continued stewardship of our garden together with Louise Ware and Alana George who helped out on the day of recording. These ladies are also keen supporters of our garden and many other extra-curricular activities for our students.

Parent Education Tuesday (PET Days)
PET days occur each Tuesday afternoon in the Carmichael Centre. The sessions are designed to provide you with information about teaching and learning at Ashmore and how you can assist your child to improve their learning. Sessions and times can be found on your child's classroom door and on our website.

**Staying Informed**

Please remember that messages are placed on classroom Ed. Studios, our school website [www.ashmoress.eq.edu.au](http://www.ashmoress.eq.edu.au), sent by twitter, text and posted on the school electronic sign.

**Introduction of Pre-Prep Sessions at Ashmore School (for those who will attend Prep in 2015)**

There will be an information session on **Thursday 22 May at 7 pm in the Conference Room**, for parents and carers who have a child eligible to attend Prep in 2015 (date of birth between 1 July 2009 and 30 June 2010). This session will be to share information about **Pre-Prep** sessions that will begin for up to 20 students commencing on **Tuesday 15 July** (first week of Term 3). Pre-Prep sessions will be 2 hours in length. Parents and carers will attend information sessions on relevant topics while the children are attending Pre-Prep.

Please see the flyer below.
Australia-wide Testing for Years 3, 5 & 7 (NAPLAN)

On **Tuesday 13th, Wednesday 14th and Thursday 15th May**, all students in state and non-state schools in Years 3, 5 and 7 will be participating in Australia-wide testing to assess their skills in the areas of reading, writing, language conventions (spelling, grammar and punctuation) and numeracy. NAPLAN assesses the skills that students develop over time through the school curriculum, and provides additional feedback for parents, carers and teachers on how students are progressing in the key curriculum areas.

An individual NAPLAN report will be sent home for every child in these year levels later this year.

Further information is available on the ACARA website: [www.naplan.edu.au](http://www.naplan.edu.au)

**Further Essential Information re NAPLAN**

It is important that students are present by 8.50 a.m. on these days, ready for a punctual start. Please ensure children get a good night’s sleep and good nutrition for breakfast to maintain brain function and energy across the three days of testing.

Please also ensure students have the following materials at school on these days:-

- 2B or HB pencils –**do not** bring “Pacers” or mechanical pencils as they write too lightly
- Eraser
- Sharpener
- Calculator (Year 7 only)

**Note:** Students may be withdrawn from the NAPLAN testing program by their parents/carers. This is a matter for consideration by individual parents in consultation with your child's classroom teacher and the Principal. Withdrawals are intended to address individual concerns including religious beliefs and philosophical objections to testing. Parents/carers wishing to withdraw students from the NAPLAN testing program must complete and submit a **Notice of Parent Withdrawal** form (obtained from the office) as soon as possible. It must be completed...
and returned to Leigh Josey in the Office by Friday 9th May. The text that appears on the individual report will read “Your child was withdrawn from this test”.

Please see Leigh Josey if you have any questions (or phone – 56561333)

**Nationally Consistent Collection of Data on School Students with Disability**

Dear Parents/Carers,

Collecting data on school students with disability helps teachers, principals and education authorities support the participation of students with disability in schooling on the same basis as students without disability.

All Australian Governments have agreed to work together on the annual collection of data on school students with disability.

In 2013, 10% of Queensland state schools participated in the first year of implementation. In 2014, two thirds of Queensland schools will participate and all schools will be collect data from 2015. **Our school will be involved in the nationally consistent collection of data from this year.**

Please be reassured that the Department will not provide to another organisation any data that can identify an individual student. The only data being collected at the school level to be reported nationally is the:

- number of students in the school who are provided with an adjustment to address a disability;
- level of adjustments we provide for those students; and
- broad category of disability.

Consultation with parents is important not only for the data collection but also to ensure you aware of the adjustments being provided to support your child. We will therefore continue to consult with you.

While only data that cannot identify your child will be submitted outside of the Department, **if you do not wish for your child’s details to be included, please send a note/phone/see me.**

Information and fact sheets are available to help you make a decision from the:

Alternatively, if you have any queries about the collection or use of this data I encourage you to contact me.

Leigh Josey (Deputy Principal)

**STARS (School Thanks and Recognition of Staff)**
In a school, the most valuable asset or resource is the people within its community (parents, carers, the students and the staff). We often celebrate the successes and positive contributions of our students at various times such as on Assembly. We also value the significant contribution of all families in supporting our students.

Beginning this week, we will be acknowledging the dedication and hard work of our staff. In each newsletter we will introduce two of our valued staff members, in recognition and celebration of their valuable contribution to our school. You will learn a little more about them and the role they play at Ashmore.

Let’s celebrate and recognize:

Mrs Karen Gravendyk

Karen commenced at Ashmore State School in January 2012, as “Head of Curriculum”.

Prior to this, Karen worked at Woodridge, Currumbin and Broadbeach State Schools; and Varsity College. As well as being the “Head of Curriculum” and a member of the school’s “Administration Team”, Karen is our “International Students Program Co-coordinator” and a “Link -It Teacher” for Years P – 7. Karen also assists with “Project 600” (a beneficial student computer based program).

When asked what she enjoys doing at our school, Karen says she values supporting all teaching staff and students; and being a part of the “Link It Team”.

Mrs Gravendyk has two young boys – aged 3 and 5 years; and enjoys gardening and going to the beach in her leisure time.

We wish to thank Karen for her on-going valuable contribution to our school.

Mrs Vicki Heaton

Vicki commenced at Ashmore State School as a “Teacher Aide” in 1996. Therefore, Vicki has worked at Ashmore for 17 years which is a significant length of time. Mrs Heaton has worked with students in all year levels, as well as assisting with office, library and administrative duties. She attends and assists with camps, excursions, P & C Meetings and generally all special activities and events at school.

Vicki thrives on helping everyone from students, to parents, to staff members.

Mrs Heaton has 3 children and 3 grandsons. She enjoys spending time with them. For leisure, Vicki likes scrapbooking and ballroom dancing.

We would like to thank Vicki for her wonderful contributions in a myriad of ways over the last 17 years.

DEPUTY PRINCIPAL- AMANDA FRY
**WAKAKIRRI UPDATE**

Thank you to all families who have returned the Wakakirri Permission form (available on our Website). All families of performing students will be invoiced in the very near future for $25. This will cover the bus costs, a commemorative T-shirt and entry fee. Our confirmation of Registration came through this week but our rehearsal time and performance date is yet to be announced. We do know that the venue is the Logan Entertainment Centre. The event will take place between 28 July and 1st August. No information is yet available about audience ticketing but we do know that tickets for parents will cost $30 - $38 each.

Our cast and crew have been hard at work walking through the performance at this stage and making sure that everyone can articulate what the story is about. One of the features that sets Wakakirri apart is the student on stage interview at the end of the performance. Three students will be selected to speak about the environmental sustainability of our performance, the story outline and a thank you to those involved. A number of teachers are taking small groups of dancers for rehearsals but the whole cast and crew meet every Friday lunchtime. After NAPLAN this rehearsal time will be extended to include the 50 minute afternoon session as well. Mrs Campbell and I have spent quite some time sorting through existing costumes here at school and utilising them as much as possible. Adapt and adopt has become our mantra. At this stage we need very little in the way of actual costumes but we will be making head pieces and other items from recycled materials.

Our 7minute presentation music track will be cut by Mr Duncan in the near future once final dance choices have been made. Ms Veivers and Mr Mallyon are working on props and art work and the lovely tuckshop ladies have hot glue guns in hand to make the flower throne for Mother Nature.

There will be an opportunity for the Ashmore community to see this performance here at school – the details of which are yet to be finalised. For more details try [www.WAKAKIRRI.COM](http://www.WAKAKIRRI.COM)

**DANCE UPDATE**

Our Junior Girls are well underway with the routine “Are You Ready For This?”, thanks to Ms Shepherd, Ms Roy and Ms Overton. I am currently seeking suitable, cost effective Cheer Leader outfits.

Our Boys Only team is learning their moves with Mrs Snow every Thursday. It is important that the boys attend every rehearsal as new moves are taught each week and can be hard to catch up. Costuming for the boys will be a simple white singlet and jeans.

Our Senior Girls team have learned a fun routine to “Happy” and will now start work on their Eisteddfod and Danc-Ed in the Spotlight routine thanks to Mrs Wichlinski. This year sees a change in our Senior Dance Team philosophy with only a select group performing at the Eisteddfod but with all members performing at Danc-Ed.

FACILITIES

*Prep A & B Classrooms* – We are organising for the prep building (The Bungalow) that houses Prep A & B to be internally painted. This should occur in the June/July holidays, which is exciting. We are also hoping to get new carpet and new kitchen/cupboards. This is very exciting news for the Preppies in that building.

*Security* – With the amount of vandalism that we suffered we have installed security cameras and signage around the school. We have also employed the Security Dog Patrol to service the school as extra security. If you see anyone on or around the school grounds that should not be there could you please call School Watch on 131788.

*Before/After School Care* - We have withdrawn the Invitation to Offer for provision of Out of School Hour Care Services (OSHC) to Ashmore State School at this stage. We will be looking at the process at the end of 2014.

FINANCE

Student Resource Scheme – don’t forget to hand in your Student Resource Scheme forms and payments to the office.

School Payments

If you are paying any monies over the internet to the school you DO NOT need your child’s ID#. In the reference section when on the internet section just put your child’s name, class and a quick word that relates to what you are paying for.

Excursion Payments

Just a reminder that every excursion or school event that requires a payment to be made will have a set ‘DUE DATE’ that must be adhered to. If you have difficulties prior to the ‘DUE DATE’ making a payment, please do not hesitate to come and see me or someone in Admin to make other arrangements. We DO NOT accept any late payments after ‘DUE DATES’. If you pay over the internet please ensure that you make the payment 3 days prior to the due date to ensure that it clears in the schools bank account by the due date. Thank you for your co-operation in this matter.

Hiring

We are taking bookings for 2014 for hiring of the Hall, Carmichael Centre (includes dance room, seminar room, conference room and life skill rooms), oval and netball courts. If you are interested or know of anyone that is looking for hire facilities please pass on this information. You can contact me or Kate Grevett on P:56561333
**Picking up children early** – If you are intending to pick your child up early please do not call the office to get your child down to the office prior to you getting here. You need to come to the office to sign your child out and then we are able to get your child sent down.

**Absent/Sick Students** – If your child is going to be away on a particular day could you please ensure that you call the Absent Line on (07) 5656 1360. This will save you time as you can just leave a message and don’t have to talk to the office ladies or wait if the office is busy.

**Change of Contact Details** – Just a reminder that if you have changed any of your contact details or emergency contacts could you please ensure that you advise the office immediately so that we can ensure we have up to date details for every family. It is very difficult to contact parents or emergency contacts if we have old information.

**Messages for your children** – As stated in previous newsletters, it can be extremely difficult to give students personal messages from parents during the school day, so to alleviate this issue we have implemented a cut off time of 2pm each day. If you require a message to be given to your child you will need to ensure that you phone the office prior to this time. Could you please advise your child of after school pick up times and locations prior to dropping them off at school as these seem to be the most common messages. If you contact the office after this time we will not be able to assist unless it is an emergency.

Many Thanks,

Pete

Reading Eggs

A reminder to utilise the on-line programme ‘Reading Eggs’ at home. This is a very valuable and enjoyable resource to support your child’s reading at home. You require a log-in password, which your child’s classroom teacher can supply, if you don’t already know what it is. For any further information regarding this programme, please chat with your child’s teacher.

Reading resources

Reading at home does not have to be expensive by feeling the need to purchase new reading material.

Home readers are currently sent home by classroom teachers.

To access additional books for your child to read and share at home, why not borrow from your Town Library? Children may also borrow from the school library.

RESOURCE CENTRE

CHAPLAIN’S CHAT

One of our school values is “Respect.” As we remembered Anzac Day last week at our annual Anzac Day service, I was very impressed with this value being demonstrated by our students in a wonderful way. The sensitive rendition of the song “Lest We Forget” by our school choir was beautiful and very touching. Well done everyone! Even my four year old grandson told me he had learnt about Anzac Day at kindy. We can be justifiably proud of young people today.

Our thoughts and prayers are very much with one of our Ashmore families who have recently lost a loved member of their family. We are all with you at this very sad time.

**CADBURY CHOCOLATE DRIVE:** Ashmore State School P&C Association are holding a Cadbury Chocolate Fundraiser this year with all proceeds raised going towards the renovation of our Junior School Playground. We know this is a massive task but with your help we hope to raise enough money so that the area can be re-laid with synthetic turf to provide a comfortable environment for our youngest children to play on. At present the area is well worn and in need of attention and on really dry days some students and staff suffer when the dust from the existing site blows into the air. This is our major project for the year so we would like to encourage all students to participate. We are asking for your support by selling one box of chocolates per family. Please let us know in writing before Monday 12th May if you would prefer not to participate. You can just make a donation to the fundraiser if that is preferable.
