PRINCIPAL'S REPORT

NAPLAN report highlights positive results

Last Friday I received the school’s 2013 NAPLAN results. I am pleased to report that our results are the best ever achieved at Ashmore State School with all participating grades, Yrs. 3, 5 and 7, achieving at national and above national standard. Significantly, the gains made by students from 2011 to 2013 are extremely impressive thanks to the excellent teaching by our staff and the students’ commitment to aspirational learning.

Over the next few weeks our staff will analyse the NAPLAN results in much greater detail to look closely at the areas where we can continue to build upon our performance.

Although NAPLAN results form a useful piece of information, they are not the be all and end all upon which to judge a school’s success.
It is important to remember the results represent a point-in-time testing over a few hours each May. The NAPLAN results are important but are just one of the many pieces of information our school uses to improve learning outcomes for our children.

Please note that our original advice was that student individual reports would not be available until after the holidays however I am pleased to advise that these documents arrived at school on Thursday 19 September and distributed to students.

School-by-school NAPLAN results are available at [https://naplan.qsa.qld.edu.au/naplan/](https://naplan.qsa.qld.edu.au/naplan/).

**School Leaders for 2014**

The election of school leaders for 2014 needs to be modified due to the transition to high school in 2015 for Yr. 6 students and the fact that our current Yr. 6 is a small cohort. After consultation with staff and discussion with other regional schools it has been decided that, to provide maximum opportunities for leadership positions in primary school to these children the 2014 school leaders’ selection model will be:

- School Captains and Sports Captains elected from Yr. 7
- School Vice Captains and Sport Vice Captains elected from Yr. 6

This important matter was shared at the September P&C meeting where members supported the school’s decision. I look forward to seeing many high quality candidates nominate for these positions.

**Staff Matters**

Some of our teachers are taking their well earned long service leave in Term 4. Mrs Lyn Smith is travelling through Spain and Portugal and Mrs Debbie Usmar returns to us as teacher of 1B for 4 days per week and Ms Natasha Fisher for 1 day per week.

Mrs Rita Ram is also taking long service leave visiting the Taj Mahal and Maldives as part of her travels. Ms Monique Bortnik will replace Mrs Ram during this time. Mrs Ram will unfortunately not be returning to Ashmore State School in 2014 as she has been transferred to Coomera Springs. Mrs Ram has been at Ashmore for many years and I know that you join with me in thanking her for her dedication and commitment to the students of Ashmore. We wish her every happiness and success at her new school.

Mrs Sarah Cook is about to take on the most important job in the world- that of ‘Mum’. Hence she is taking maternity leave at the end of the second week in T.4. Her replacement teacher will be announced at the beginning of the term.

In closing I wish everyone a happy and relaxing holiday. Please stay safe, care for each other and come back ready for an exciting and rewarding Term 4.

DEPUTY PRINCIPAL- AMANDA FRY

The Eisteddfod season is now over and all the hard work has certainly paid off.

Our Year 7 Team who danced to ‘ABC’ in the Middle/Secondary School Competition was unplaced but did receive an Honours Certificate. They faced some very stiff competition from the High School Dance Excellence program. Adjudicator’s Comment: “Terrific costumes and opening scene. Excellent unison and choreography. Congratulations on all your hard work. Well Done!”
The Junior Team earned a “Very Highly Commended with Honours”. The girls were so excited to perform and were so well behaved back stage even though it is a really strange environment for most of them. Adjudicator’s Comment: “Very cute costumes. Terrific personalities and expressions. Excellent patterns and lines. A wonderful routine with terrific gestures and movement. Congratulations of your performance today”.

The Senior Team also earned a Very Highly Commended with Honours. This large group of unauditioned students would have earned the Best School in Public if such an award existed. Adjudicator’s Comment: “Great Costume. Excellent unison and choreography. I love your energy and personality, Great partner work (that would be you Jack and Hayley). Congratulations on your performance this evening.

What now for Dance....

The Junior Team will be performing at the Prep Orientation day on Friday 11 October at 9:15 in the Hall. The girls will need to bring their full costumes on that day. We will change at school. After that performance I will be collecting their “Go-Go” shirts. These shirts will then become part of our costume collection to be utilised by future groups.

The Year 7 Team and Senior Team will both be performing at “Danc-Ed in the Spotlight” on Friday 25 October at the Gold Coast Arts Centre. This is an all-day event with technical rehearsal during the day and then the performance in the evening. The teams should keep their costume(s) until that day. After that event I would like all costume items returned laundered and complete. The white suits in particular will need to be treated with care. Please DO NOT machine wash them or use bleaching agents or nappy washing products on this fabric. A gently hand wash with mild soap please and dried out of direct sunlight. All the “Saturday Night Fever” items should be placed on their hanger and back inside the suit cover which was provided. If your daughter had to have her vest split and pinned, I would like those vests still pinned to the black T-shirt returned to me as soon as possible so that the raw edges can be sewn and ribbons for tying attached. Once this is done I will return the vest to the student to complete their costume prior to Danc-Ed.

Very special thanks to Melissa McCafferty our wonderful dance teacher who did the lion’s share of the work teaching our Junior Team in her personal time. Thanks also to Miss Sheridan from Sheridan’s Dance Studio 1 for once again teaching the senior teams with such enthusiasm and creativity. A huge thank you to the staff at Ashmore State School for their support of the dance teams this year, in particular to Terri Campbell, Kathryn Shepherd, Jodie Wilson and Anoushka Delany for sacrificing their lunch time to help with the Junior Team.

Our dance teams would not exist without parent support. Thanks to all our dance families for having the children so beautifully prepared, dressed and on-time to their performances. I rarely single out parents to thank but I will make an exception this year – Tania (mother of Jessica) for her wonderful support, costuming advice and being prepared to step into the back stage supervisory role on Monday night if the need arose, Bindi (mother of Miah) for her expert make-up touch ups back stage and help with supervision and Andrea (mother of Tahlie and Kiara) for driving back to school on Monday night to get replacement costumes pieces from my office which enabled all the girls to take to the stage.
Four girls have been selected by our talented Miss Sheridan to be part of the combined schools opening number at Danc-Ed. Well done Maddalyn H, Phoebe M, Caitlin S and Tahlie M.

All the students will be given an Honours certificate at their next assembly.

**BUSINESS SERVICE MANAGER- MRS PETA DONOGHUE**

*Hiring*

We have some spare spaces for hire at the school if there are any companies interested. We have the dance room, activities room, conference room and hall up for hire at different times. If you are interested or know of anyone who is interested please get them to give either myself or Brigitte Blakeway a call.

We now have YOGA and ZUMBA using our facilities and they offer great rates to our community. YOGA is holding special classes on each Tuesday morning from 7am-8am. This is a great way to start the day on a calm note!

*Excursion Payments*

Just a reminder that every excursion or school event that requires a payment to be made will have a set ‘DUE DATE’ that must be adhered to. If you have difficulties prior to the ‘DUE DATE’ making a payment, please do not hesitate to come and see me or someone in Admin to make other arrangements. We will NOT be accepting any late payments after ‘DUE DATES’. If you pay over the internet please ensure that you make the payment 3 days prior to the due date to ensure that it clears in the schools bank account. Thank you for your cooperating in this matter.

*Messages for your children*

As stated in previous newsletters, it can be extremely difficult to give students personal messages from parents during the school day, so to alleviate this issue we have a cut off time of 2pm each day for the receipt of messages. If you require a message to be given to your child you will need to ensure that you phone the office prior to this time. Could you please advise your child of after school pick up times and locations prior to dropping them off at school as this seems to be the most common messages. If you contact the office after this time we will not be able to assist unless it is an emergency.

*Newsletter*

If you are not currently receiving our fortnightly newsletter please give your email address to our office staff.

Many Thanks,

Pete

CONFIDENCE

How Confidence Develops

For most children school means spending more time on learning and less on ‘play’. It also means more expectations of them – from parents, carers, teaching staff and also of themselves. Children typically start out with high expectations. When they see how well they do things compared to others, their view of their own abilities often changes. They learn that they are good at some things and not so good at others. They also see how others respond to what they do. These things influence their confidence in their abilities, and influence how willing they are to have a go in situations where they feel unsure.

How Parents and Carers Can Help

Confidence improves through building on small successes. Parents, carers (and teaching staff) can help by:

- explaining that skills develop with practice
- encouraging persistence when outcomes aren’t achieved straight away
- praising effort, persistence and improvement
- making sure that goals are achievable by breaking down large tasks or responsibilities into small steps
- being ready to help when necessary, without taking over
- encouraging children to have a go and valuing individual improvement

Confident Thinking

Self-esteem is an important part of confidence. Having good self-esteem means accepting and feeling positive about yourself. Confidence is not just feeling good but also knowing you are good at something. Remember: How I think affects how I feel.

Particular ways of thinking are very important for building confidence. Helpful ways of thinking include:

- believing that, if you try, you can succeed
• finding positive ways to cope with failure and being prepared to give it another go

• enjoying learning for its own sake by competing with your own performance rather than that of others.

**Dealing with Disappointment**

Everybody fails to achieve their goals sometimes. Parents and carers (and teaching staff) can help by:

• Acknowledging feelings, and respond sympathetically and with encouragement e.g. “You sound disappointed, but at least you had a go.”

• Helping kids focus on what they can change to make things better, rather than thinking that the situation is unchangeable or that there is something wrong with them, e.g., “What can you try that might make that work better next time?”

• Challenging words like ‘I can’t’ or ‘I’m a failure’, and letting them know that ‘giving up’ may not help them reach their goal.

Let them know you believe in them and remind them of what they have achieved.

Carla Loughnane

Guidance Officer

**RESOURCE CENTRE**

Don’t forget when your child borrows a book from our Resource Centre they must have a bag to protect the book. With the warmer months upon us sometimes frozen drink bottles can come in contact with the bag’s contents. Perhaps a plastic bag to keep moisture away would be advisable.

**Holiday Activity**

With the school holidays upon us, you might be at loss finding something for the children to do. You could have an outing to our local council library.

You can check out the link for the [Gold Coast City Council Library](http://www.goldcoast.qld.gov.au). There are a number of branches from Coolangatta to Upper Coomera. In our area, you can visit Southport, Nerang, Broadbeach, Robina, Mudgeeraba,
Burleigh Heads or Burleigh Waters. As a member of the library you can borrow books, newspapers, CDs, DVDs, videos, audio books, large print books, magazines, local history material, online resources - and that’s just for starters. They also have events and activities for everyone. If you are unable to get out and visit the library why not look at the online resources available to you.

**CHAPLAIN’S CHAT**

Thursday 12th September was designated “R U OK” day. The R U OK? Foundation is an organisation dedicated to encouraging all people to regularly and meaningfully ask ‘are you ok?’ to support those struggling with life. If you know someone who’s struggling with relationships, illness, finances, stress, studies or just feeling overwhelmed, ask R U OK? Be a person they can count on. Find a comfortable private place and start a conversation about how they’re going. Listen without judgement and tell them they’re not alone. Ask how you can help and always arrange for a catch-up to see how they are doing.

Term Three is fast drawing to a close and I would like to wish all students, families and staff a relaxing and enjoyable time with your family. Someone once said, “There is no way you can be a perfect parent, but there are a million ways to be a good one.” Happy holidays!

Marg Potter - Chaplain

**FLEXISCHOOLS: New Mobile Website - iTunes App Phase-out**

Flexischools has launched a new, free, Mobile Website, which replaces the iPhone / iPad app and adds many new exciting features. The Mobile Website runs directly from the phone browser, does not need to be downloaded via the App store, and in a few steps (outlined below) an icon is added to the phone to behave like an App. With this new, free system now available, we have removed the iPhone app for sale from the App store, but we will continue to support ordering via the old App until 2014.

The reasons for this change are:

a) The new Mobile Website works on virtually any mobile device - not just Apple
b) The new version has many more features
c) Because it runs from the browser, users instantly get new features, without requiring updates
d) IT’S FREE!

**Q) How do I use the Mobile Website?**

A) Parents go to [www.flexischools.com.au](http://www.flexischools.com.au) from the browser on your device. Click “Login” and enter the existing username and password. You can also create a home screen icon on your phone so it works just like an App - see below.

- Add / Setup your Students (no need to use desktop)
- Quick Re-order
• Setup Recurring Orders
• All Top-up Options Available
• Update Student Class Details

Importantly, as we release new features, users get them instantly - no need to update.

Q) Can I put an icon on my iPad / iPhone home screen to make it work like an App?
A) Yes, browse to www.flexischools.com.au and click 'share' then 'add to home', as described here:

Q) What about Android phones?
A) Yes. On Android phones, bookmark the webpage in the browser and then hold your finger on the bookmark and select "Add Shortcut" or "Add to Home Screen" from the options that appear.

Q) Can I get a refund on the old App?
A) Sorry, no. But you can continue to use it until 2014. After that, we will continue to support use of the old App for as long as is practical. You can move to the new Mobile Website at any time and always add a link to your home screen (as above) and launch the new system just like the App.

GOLD COAST HOSPITAL AND HEALTH SERVICES – ORAL HEALTH SERVICES

Did you know that Gold Coast Hospital and Health Services – Oral Health Services in both the community and school dental clinics accept Medicare Teen Dental Scheme Vouchers?

Good oral health care is important for young people. The government has provided Medicare Teen Dental Scheme Vouchers to help enable and maintain good oral health and preventative care. These vouchers can be presented to private dentists or Gold Coast Hospital and Health Services – Oral Health Services, including a community or school dental clinic.

Children attending schools up to the end of Year 10 who present a Teen Dental Voucher with Gold Coast Oral Health Services will receive a comprehensive examination, x-rays, scale, clean and a full course of care.

Children in Years 11 and 12 in receipt of a voucher can only be seen by Gold Coast Oral Health Services if the eligibility criteria is met. They will then be placed on a waiting list to receive a comprehensive examination, x-rays, scale, clean and a full course of care.

If the Teen Dental Voucher has been used at a private dental practice, completion of the private dentist’s treatment plan will need to be undertaken privately at own cost. Gold Coast Hospital and Health Services will only be able to provide Emergency Care for these children, not a full course of care as prescribed by the private dentist.

Gold Coast Hospital and Health Services – Oral Health Services have qualified and experienced dentists, oral health therapists, dental therapists and dental assistants who work together to provide a range of oral healthcare services to meet your child’s specific oral health needs in a caring environment.

As the Teen Dental Voucher expires by 31.12.13, it is important that you arrange your appointment as soon as possible by telephoning the Gold Coast Oral Health Services Call Centre on 1300 300 850. Oral health services are also provided during all school holiday periods.

For more information on the nearest community or school dental clinic, the Oral Health Call Centre will be able to assist you with your enquiry.
