PRINCIPAL'S REPORT

If we are to educate our children for success in our world today it is necessary that we give them every opportunity to learn and grow in the digital environment. We all reminisce about how we used to learn at school when there was no such thing as a computer to be seen but plenty of text books; when writing words from the blackboard was considered learning when in effect a lot of it was only teaching children how to copy; when quiet classrooms with children sitting at neat rows of desks for extended periods of time was considered good teaching practice. Whether we like it or not, times have changed and today’s classrooms invite active participation and discussion by students through group work, peer coaching, feedback and reflection. The active and skilful use of technology is fundamental in today’s world of education supporting all that teachers do but not replacing the teacher. With this in mind, I have mentioned previously in this newsletter the introduction of EdStudios to classrooms that brings aspects of your child’s schooling into the home. As the year progresses more classes are implementing EdStudios to enable students to
access and complete their homework, unit assignment tasks, Reading Eggs and Mathletics. Additionally, teachers post classroom messages to parents on EdStudios. Please check with your child’s teacher to find out if their EdStudio is operational yet and if so find out how you can access it to help your child in his/her learning experiences and also to keep up to date with news from the classroom.

**Catering for all children**

A key element of an effective school is the manner in which it provides students who have a variety of interests and talents. At Ashmore State School we offer Drama Club, Choir, Computer Club, the Fitter Faster Stronger program, Thunderbirds and SUPA Club to name a few. Another activity that is offered is the “The Workshop” where Mr Adam Dart organises activities for students who are interested in assembling and repairing items during lunch breaks. Recently some of our students built a combustion engine which is a replica of that which operates a car. It took time and patience for the students to complete the project but the end result was worth it!

*Miles*(year 7), *Aiden*(year 7), *Kaia* (year 5), *David M* (year 5) & *David B*(year 5) working as a team.

*And here is Stephen*(year 7) *with the final product*

**Leading the World in Mathletics!**

Recently the students of 5A led the world in the Mathletics competition. The students wrote to me saying, “*Mrs James, the students of 5A would like you to know just how awesome we are. This week our teacher, Mrs Dodds,*
gave us a challenge. Our mission was to be the number one class in the world in Mathletics by 9a.m today. The important part of the challenge was that we had to be using Mathletics from home and not in school hours. We knew that to be successful, we would all need to contribute by completing tasks at our own level at home.” This is a fantastic achievement by 5A and here is the proof!

That’s Entertainment

This week students rehearsed for their Eisteddfod performances in front of a large audience comprised of parents, relatives and visitors. One particular audience member introduced herself as an aunt of one of our performers who was holidaying from NSW. She shared with Mrs Josey, Ms Fry and me that the performances were the highlight of her visit to QLD stating that she was amazed at the range and depth of talent we have at our school. It is always lovely to hear such comments and I warmly congratulate our students and their teachers - Miss Dart, Mr Hart, Miss Lamor and Ms Fry for their teaching and preparation of our students. And a very big thank you to our parent, Mrs Flannery, who teaches the dance routines to our children. Mrs McCafferty is a very talented lady with a great deal of patience. Just look at how well she has tutored our Prep dancers!

To keep in touch with what is happening at our school please access the school website on www.ashmoress.eq.edu.au. This forthcoming week you will find our revised Responsible Behaviour Plan, Whole School Curriculum and templates for student's Personalised Improvement Plans (PIPs).

Mrs Leigh Josey, Deputy Principal, was recently recognised for her contribution to coaching and mentoring trainee Teacher Aides. Mrs Josey was presented with a Certificate of Appreciation from the Director of TAFE, Mrs Lynne Foley.
Thought for the fortnight:

“The principle goal of education in the schools should be creating men and women who are capable of doing new things, not simply repeating what other generations have done; men and women who are creative, inventive and discoverers, who can be critical and verify, and not accept, everything they are offered.” Jean Piaget, Swiss philosopher 1896-1980

Prep in 2014

It’s now time to enrol for Prep in 2014 (children born between 01/07/2008 and 30/06/2009). Please collect an enrolment pack from the office, complete the forms and return them together with your child’s birth certificate or passport for photocopying.

Please make an appointment to see me for the returning of your paperwork. If you have friends and relatives with Prep in 2014 children who would like to learn more about our school, please encourage them to join me on the following scheduled information sessions (choice of 2 different sessions):

Prep Information Session for Prospective Families

When – Tuesday 20th August

Times of sessions - 1:45 p.m. to 3:00 or 6 to 7:15 p.m.

Where – Conference Room in Carmichael Centre

What – To learn and ask questions about Ashmore State School (including afternoon tea)

Prep students for 2014 are welcome to attend (activities arranged.)

Pokemon Cards
Pokemon Cards (and all toys) are not allowed at school.

This is so that they are not lost or broken etc.

At present, children are bringing Pokemon Cards, swapping them and having disagreements and/or changing their mind, which is causing many upsets.

Please support us in ensuring all toys, including Pokemon Cards, are left at home.

Thank you

Leigh Josey (Deputy Principal)

DEPUTY PRINCIPAL- AMANDA FRY

This time of the year is always one of our busiest especially with the start of Eisteddfod season. Our Year 7 Dance Team has been invited to dance at the upcoming South Coast Primary Deputy Principal’s Core Business Day at the Watermark Hotel in Surfers Paradise on Wednesday 28 August. They will be great ambassadors for our school and it will serve as a worthwhile practice before their Eisteddfod performance the following night. Thanks to the two families who donated ‘nerd’ glasses for the girls to complete their costumes. The Junior Dance team has been practising very hard every Monday lunch time and every Friday afternoon. Their ‘Go-Go’ T-shirts have arrived thanks to the generosity of one of our families. The Primary School Dance Team is now fully costumed and ready to go. They are sure to make a huge impact on stage in their white three piece suits. Eisteddfod dates for Dance are – Year 7 Team: Thursday 28 August (6:00 p.m.) Junior Dance Team: Monday September 2 (1:00 p.m.), Senior Dance Team: Monday September 2 (5:30 p.m.)

Our Performing Arts program has a three year cycle for major events – Musical, Wakakirri (or similar) and our Cultural Evening. Our major event in 2013 will be a Cultural Evening. This evening will showcase the performing talents of all our student from Prep to Year 7. The theme for the evening with be “Ashmore Goes To The Movies”. More details of this event will be sent home in the near future.

Our Japanese Cultural Day was enjoyed by our Senior students on Monday – with many great activities for the students including kite making, origami, Kabuki and calligraphy along with a delicious Bento lunch. Our Year 5 and 6 students will soon be participating in a program conducted by Southport State High School every Tuesday afternoon. They will participate in a series of activities including Music, Dance, Media, Science, Art or SOSE.

The forms for both the Year 6 and Year 7 camps have been sent home. Both these camps provide wonderful opportunities for the student to develop resilience and leadership in an unfamiliar but fantastic environment. Please keep note of the final payment dates as no late payments can be accepted.
Just a reminder that school staff cannot give over the counter medication. If your child requires such, it must be accompanied by a doctor's letter.

BUSINESS SERVICE MANAGER- MRS PETA DONOGHUE

Excursion Payments

Just a reminder that every excursion or school event that requires a payment to be made will have a set 'DUE DATE' that must be adhered to. If you have difficulties prior to the 'DUE DATE' making a payment, please do not hesitate to come and see me or someone in Admin to make other arrangements. We will NOT be accepting any late payments after 'DUE DATES' in 2013. If you pay over the internet please ensure that you make the payment 3 days prior to the due date to ensure that it clears in the schools bank account. Thank you for your cooperating in this matter.

Messages for your children

As stated in previous newsletters, it can be extremely difficult to give students personal messages from parents during the school day, so to alleviate this issue we will be implementing a cut off time of 2pm each day. If you require a message to be given to your child you will need to ensure that you phone the office prior to this time. Could you please advise your child of after school pick up times and locations prior to dropping them off at school as this seems to be the most common messages. If you contact the office after this time we will not be able to assist unless it is an emergency.

Helping kids become resilient

Definition: ‘Resilience – the ability to cope in times of stress or hardship.’

As parents we work to equip our children with the tools they need to solve their own problems, to respond to difficulties, to feel good about themselves and others, and to perceive the future in a hopeful and confident manner.
It would be great if all children arrived with a *Do it Yourself Manual* but here are some ideas to help your child become resilient.

Brooks and Goldstein talk of 10 key principles for resilience:

- Be empathetic – teach understanding of how another person might feel, recognize your own feelings
- Communicate and listen effectively – and respond to what your child is saying
- Love your children in ways that make them feel special and appreciated – let them know you love them unconditionally.
- Accept your child for who they are and help them to set reasonable goals – goals for today, and goals for the future. It’s good to work towards something.
- Help them experience success in whatever they show competence in (even if it’s collecting bugs)
- Focus on positives, reword negative talk – sometimes the positive may be hard to see, but it’s there. Always end a conversation with something positive. Instead of saying ‘don’t do ……’ say what you want your child to do.
- Help them to understand that ‘mistakes’ are just things yet to be learnt
- Develop responsibility, compassion and social awareness by providing opportunities where your child can contribute or give back to others.
- Teach your child to solve their own problems and make appropriate decisions (What’s the problem? What are the choices? Which is the best choice? Try it. If it doesn’t work review your choices.) This also helps them to take responsibility for their actions.
- Discipline in a way that promotes self-discipline and self-worth. Punishment is one form of discipline and often a least effective form as it teaches the child what not to do rather than what to do, and can often build resentment. It is difficult to teach your child a better way to behave when you yourself are angry and upset. So be calm, tell your child what you want them to do, and praise your child for doing the right thing. Have though, a plan in place for dealing with non compliance, but STAY CALM. Your child is watching you and will copy how you behave.

In following these principles we will contribute to helping our children be resilient, to be emotionally healthy, and equipped to successfully confront challenges, and bounce back from setbacks.

**Reminders**

Students currently recording their reading for the Premier’s Reading Challenge MUST have their reading logs handed into the Resource Centre no later than 6th September to qualify for the certificate.

**Book Fair**

Book Fair organisation is going well. Come in and check out the decorations in the centre. This year’s theme is *Story Laboratory*. Dates for the Book Fair are from Monday 19th – 23rd August. Opening hours are:

Students will be unable to borrow books during the week due to the rearrangement of furniture and shelving.

As our *Book Fair* coincides with *Book Week*, celebrations include “Dress as your favourite book character”. This event is held on Wednesday 21st. Students from Prep to Year 7 are invited to participate in this fun event. Please note, this is not a free dress day. Last year, there was an amazing array of characters and judges had a very difficult time. Prizes are awarded for each year level.

Classes will visit the display during the week and students are given a “wish list”. You can either visit the Book Fair or send the wish list back to school with money so purchases can be made.

We recommend visiting the CBCA website and browse the wonderful selection of books currently on their short list. The Children’s Book Council of Australia (CBCA) is a volunteer run, non-profit organisation that was established in 1945. There are a wide selection of links to authors and helpful websites.
CHAPLAIN'S CHAT

Once again, a huge congratulations must go to Mr. Ellis and the sports captains for the great job with the junior sports carnival, and it was fine too! No rain! Well done to all the participants as well for a terrific display of sportsmanship on the day.

On the first week of August each year, I have the wonderful privilege of attending my annual chaplaincy conference at Alexandra Headlands with around 600 school chaplains from across Queensland. It is always a refreshing and renewing time with great fellowship, worship and learning. I will not be at school on the week commencing Monday 5th August.

I really want to thank Mrs. Heaton, Mrs. Bidner, Mrs. Urry and Ms. Welch for their huge effort in supporting my sausage sizzle last Saturday. Your hard work was very much appreciated and it resulted in a very successful day.

SCHOOL PHOTOGRAPHS
Dear Parents,

We will be photographing your school on Tuesday 20th August 2013.

You will receive a Flyer/envelope for each of your students explaining the products available.

Please ensure that each student returns his/her own envelope even if payment is made in the eldest child’s envelope. Envelopes are not to be placed inside other envelopes.

**Students are to bring envelopes on or preferably before Photo Day.**

We have an auto-mated system for payments by credit card. You can go online to [www.advancedlife.com.au](http://www.advancedlife.com.au) for easy to understand payment instructions. You will receive a receipt number which **MUST** be written on the order envelope in the space provided. You can also make payments by cash, cheque or money order.

Sibling Photos are also available for students at the school, please collect a “family order envelope” from your school & return it to the office.

Please don’t hesitate to contact us if you have any queries.

We look forward to seeing all your smiling faces!

*Your Team from Advanced Life Photography*
