Dear Parents/Carers,

Earlier this year your child was identified through a series of tests that they are edible to join our Ashmore Accelerated Learning Program. This program allows your child to partake in a range of extra-curriculum activities and competitions.

A range of groups were on offer and your child has chosen to participate in the Writers Club group in Term 3. The Writers Club is an opportunity for all those with a passion for reading and writing to showcase their skills & talents in an exciting, vibrant & public way.

THE CHALLENGE

Produce and publish a variety of writing pieces suitable for a range of audiences e.g: School Newletters, writing competitions, community displays and sharing with peers.

There will be a weekly meeting in the Student Services Building from 8.15am to 8:35am on Thursday mornings beginning Week 2.

Please supply your child with an exercise book for their writing.

Our goal is to enter high quality writing into appropriate writing competitions. (This could incur a minimal entry fee of $5)

Further information about possible writing competitions will be given out as it comes to hand.

Regards,

Suzie Ross and Robyn Martin
Writing Club Coordinators

Margaret James
Principal

I have read all the information about the Writers Club and agree to attend the weekly meetings.
