 - b) The schools staff and students

The following Dress Code has been developed in collaboration with the Ashmore State School P&C representing the school community.

Introduction

Ashmore State School is a full uniform school. We have the support of the Parents and Citizens Association to promote 100% adherence to the uniform. Our school's uniform policy consists of an agreed standard and items of clothing, which includes a school uniform that Ashmore State School students wear when:

- attending or representing their school
- travelling to and from school: and
- Engaging in school activities out of school hours.

The Ashmore State School Parents and Citizens Association support a student uniform policy because it believes a uniform policy aims to contribute to a safe and supportive teaching environment through:

- ready identification of students and non-students at school;
- fostering a sense of belonging;
- developing mutual respect among students by minimising visible evidence of economic and social differences;
- promoting an effective teaching and learning environment by eliminating the distraction of competition in dress and fashion at school

Standards

With this in mind, the dress code stipulates the following standards:

1. The wearing of correct school/sports uniform at all times, unless stipulated by the Principal e.g. Special Fundraising Days or fun Dress up Days.
